## Fall Photos

Our [photo gallery](#) features images of a colorful flamenco performance, employees getting passionately pink and students participating in the democratic process. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

### Professor studying local sturgeon for breeding

Research by Amy Welsh of the biological sciences department is contributing to an effort to protect a threatened fish species. [Read more >](#)

### May Term to offer intensive learning

In its continued drive to deliver coursework in ways that work best for students, Oswego will pilot an intensive two-week May Term immediately after spring semester. [Read more >](#)

## Spotlight

### Mid-year budget cut apportioned to campuses by next week

SUNY Oswego officials anticipate that next week's budget news will be relatively good, as budget news goes. [Read more >](#)

## People in Action

In this issue, read about the student art exhibitions to open next week, a lifetime service award and faculty appointments and presentations. [Read more >](#)

## Calendar Highlights

Wednesday, Nov. 11

You may have seen sophomore music major Rob Kronen playing his guitar on stage or around campus. Find out why he feels like he's found harmony at Oswego in this week's **[Spotlight](#)**.
