

# Campus Update

Published by the Office of Public Affairs  
for the SUNY Oswego Community

February 17, 2010

## February photos

This issue's [photo gallery](#) features athletics, arts, science and a little bit of clowning around. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

### Radio series on immigration receives funding

Jessica Hester wants to shed light where, too often, there is misunderstanding and mistrust: immigration. The New York Council for the Humanities recently lent a helping hand. \_

### New book probes evolution of women's images

Tina Pieraccini studies how the roles of women on TV evolved from subservient homemakers to "Desperate Housewives" in her book *Pink Television*. [Read more >](#)

### Computer science professor fights net intruders for Air Force

The U.S. Air Force has banked about \$200,000 on professor James Early over three years to determine how to close next-generation Internet security holes even before they open.

[Read more >](#)

What is the next-generation Internet?

## People in Action

In this issue, read about new honors for students and faculty at the international, national, local and campus levels. \_

[Read more >](#)

## Spotlight

Melissa Klefbeck juggles many tasks for CPS. Her favorite: working with graduate students in that busy office. Learn more about Klefbeck in this week's [Spotlight](#).

## Poll: How far will Laker hockey go?

How will the Oswego men's hockey team do in its pursuit of another Division III national championship?

- Win the NCAA title
- Reach the final Frozen Four
- Make it to quarterfinals
- Miss NCAA Tournament
