

Dec. 8, 2010

End-of-Semester Photos

This issue's [photo gallery](#) bursts with signs of the season: December graduates looking ahead, the first big snows, holiday gifts for family and those less fortunate, much-loved songs and our deep hockey tradition. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to proffice@oswego.edu.

Rochester firm gets nod to build science facility

The SUNY Construction Fund has sent a notice of bid award for nearly \$46 million to The Pike Co. of Rochester, setting the next stage for a new 150,000-gross-square-foot building for the sciences and engineering. [Read more >](#)

Class to visit Haiti, offer mental health training

Three psychology professors and eight students will travel to Haiti in January to provide training in areas that community leaders, health care workers and teachers deem critical in the Petit Goave region west of Port-au-Prince. [Read more >](#)

English majors learn where words can take them

A new capstone course option for English majors partners them with work placements. "Words in the World" brings to light the variety of

December graduates prepare for next opportunities

More than 600 students -- around 500 of them undergraduates -- are eligible to take part in Commencement on Dec. 18, and many are ready for the next step in their lives. [Read more >](#)

People in Action

In this issue, read about faculty achievements, student presentations and a grant to help sophomores engage the world. [Read more >](#)

Calendar Highlights

Dec. 8 and 9

• [Blood drive](#)

uses, vocational opportunities and career possibilities for students of English. [Read more >](#)

Spotlight

Steve Abraham devotes his time, talents to helping students, colleagues and campus through advisement, scholarship and organizations — in this issue's [Spotlight](#).
