## Fall Photos

In this issue's [photo gallery](#), the college celebrates its birthday 150 years ago, students observe a distant galaxy, the fight against breast cancer picks up supporters and the saying "experience is the best teacher" gains new impetus. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

### Cambridge press publishes philosopher's book

One of the world's oldest academic publishers is releasing K. Brad Wray's new book exploring the teachings of one of the most controversial figures in modern philosophy. [Read more >](#)

### Caravanserai: Poetic vocals, pounding rhythms

Over its long history, the land comprising modern-day Pakistan has produced varied musical traditions and styles. Artswego will present a sample at 7:30 p.m. Saturday at Oswego High School, the culmination of a weeklong residency. [Read more >](#)

### Music, quirky characters enliven 'Spelling Bee'

The theatre and music departments' autumn production, "The 25th Annual Putnam County Spelling Bee," will preview Thursday and open Friday, spelling a good time for fans of contemporary musical theatre with a comic flair. [Read more >](#)

### Scanning electron microscope offers students nanoscale views

When Fehmi Damkaci peers at the computer monitor next to the electron gun of the college's new scanning electron microscope, he sees the future — a nanoscale world that is revolutionizing materials science and providing jobs by the thousands. [Read more >](#)
