

Campus Update

Published by the Office of Public Affairs
for the SUNY Oswego Community

Nov. 9, 2011

November Photos

In this issue's [photo gallery](#), SUNY Oswego's many and varied interests — international and domestic, serious and fun-loving, undergraduate and alumni, advocating rights and countering wrongs — are on colorful display. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to proffice@oswego.edu.

Minor in sustainability studies links many disciplines

A new minor in sustainability studies lends coordination to a wide variety of courses that feature ideas, projects and policies for better stewardship of the world. [Read more >](#)

People in Action

In this issue, read about students and faculty in economics, business, finance, art, biology, anthropology and physics competing, exhibiting, presenting and publishing, plus two scholars visiting in chemistry and business. [Read more >](#)

College rolls out action-oriented mobile website

The launch of the college's mobile website allows users to connect with the campus through a location-based map, interactive directory and many other features. [Read more >](#)

Learning outcomes key to accreditation review

As the visiting Middle States Association team reviews how the college is living up to its mission and goals -- and the association's 14 standards -- the bottom line will be what students get out of their education here, the team leader said last week. [Read more >](#)

Oswego a top-producing Fulbright campus

The Chronicle of Higher Education recently recognized SUNY Oswego as one of this year's Fulbright Scholarship "top producers." [Read more >](#)

SEFA campaign builds community year-round

Donors and volunteers across campus are working to reach a
