

Nov. 23, 2011

## November Photos

In this issue's [photo gallery](#), residence halls enjoy a night in as a club explores a day out, and the campus community gives thanks to veterans, gives back to those less fortunate, applauds Laker sports teams and more. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

### Oswego team develops business, app in 54 hours

Oswego students showed off their computer skills and business savvy in a regional business-startup competition, winning space in the Syracuse Tech Garden to incubate their business. [Read more >](#)

### It's all in a night's work for campus snow fighters

Removing snow across campus twice in a single shift is nothing new to the snow-removal teams on the college's grounds and custodial staff. Each campus sweep removes at least 3.2 million square feet of white stuff. [Read more >](#)

## Spotlight

Nontraditional student Carolyn Shaddak appears to

As science complex takes shape, Piez Hall looks toward new life. Renovation of Piez Hall is well under way. The larger new construction next door will merge with the nearly 50-year-old science building, whose familiar brickwork will show through in the new structure's atrium as well as the exterior of the complex that is headed for completion in 2013. [Read more >](#)

## People in Action

In this issue, read about faculty members singled out for recognition by their peers as well as presenting and publishing papers on political philosophy, science fiction and forensic archeology. [Read more >](#)
