

# Campus Update

Published by the Office of Public Affairs  
for the SUNY Oswego Community

Dec. 6, 2012

## Late Semester Photos

In this issue's [photo gallery](#), the fall semester rushes toward a close with a jazz concert, tutoring in organic chemistry, the annual Toy Drive, Scholastic Book Sale, a gala event for the Mentor-Scholars Program and Whiteout Weekend hockey games. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

### Grant to assist scientist's plan to protect turtles

Biological sciences professor Peter A. Rosenbaum received a federal grant of more than \$14,000 to develop a conservation management plan for five populations of rare bog turtles in three counties. [Read more >](#)

### Oswego advances as study-abroad leader

SUNY Oswego appears as a leading institution for U.S. study abroad in the latest report from the Institute of International Education. [Read more >](#)

### December graduates preparing for next phase

Around 550 students — including more than 450 undergraduates — are eligible to take part in December graduation on Saturday, Dec. 15, with many already working on their next steps. [Read more >](#)

## People in Action

In this issue, faculty and student publications and presentations on British and American literature, the environment, nano-fibers, wind energy, semiconductors, roller coaster safety, physics education, entrepreneurship and more, plus an environmental award and a musical flash mob.
