March Photos

In this issue's [photo gallery](#), students extend their generosity to veterans, the college offers its hospitality to beleaguered city residents, alumni return to share midcareer wisdom, and men's and women's ice hockey teams give their fans extended seasons, just as baseball players start theirs. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to proffice@oswego.edu.

Fulbright award to send Harris to Finland

The Fulbright Scholar program has awarded Christopher Harris of the computer science faculty an opportunity to travel to Finland this August for nearly a year, where he plans to explore cross-cultural user experience and user design, as well as a variety of other research and teaching interests in human-computer interaction and business.
