## November Photos

### Student-produced sci-fi series to air on Syracuse public TV

WCNY-TV public television in Syracuse will air three episodes of a 1960s-style science fiction horror series titled "Spectral Transmission," produced by students of Jacob Dodd in cinema and screen studies. [Read more >](#)

In this issue's [photo gallery](#), dancers display innovations in tap, alumni and students rejuvenate Homecoming, "ancestors" give a ghostly history lesson, the Athletic Hall of Fame welcomes new honorees, bake sales help support SEFA and exhibitions open at Penfield Library. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

## People in Action

### Oswego again earns 'Best for Vets' recognition

In a new video, Oswego student veterans exemplify why SUNY Oswego is consistently named a "Best for Vets" college. The latest ranking comes from the Military Times for 2016.

### Cuba scene of independent study on race, identity

The opportunities Oswego's international education program offers in Cuba continue to expand, as a political science professor and student explain in discussing their experience there earlier this year. [Watch video >](#)

In this issue, read about a top-cited scholar on business incubators; students presenting their research in education, biology, chemistry and physics; faculty publishing on philosophy and teaching; and faculty and staff presenting on women in media, social media, management and art. [Read more >](#)

### #OzWhiteout: It's more than a game

The eve of Oswego's first Homecoming in decades featured the age-old hockey rivalry with Plattsburgh, and students turned out in a show of school spirit Friday. [Watch video >](#)
