FINANCE COMMITTEE MEETING - MINUTES

Monday, April 25, 1977

All members were present (except Jo Gold, whose absence was excused due to illness). Mike McLaughlin requested to be taken off the committee due to his excessive work load. His request was honored.

First order of business: Discussion of current SA financial status. According to Richard Mahoney that morning, there are no funds left in the Contingency Account.

Second Order: PPB-Cinevisions request for purchase of two new projectors for use in the ballroom. The Committee decided to send Bob Natoli to investigate needs and alternatives. Also we decided (due to finances) to postpone consideration until the Fall when an additional \$1000 would be added to the reserve for replacement account (making it \$2000).

Third Order: PPB-Cinevisions request to transfer funds (\$2500) from "Film Festival" Acct. #661 to "Film" Acct. #610. Since Acct. #610 was about \$2500 in the red, we decided to make the transfer. The reason for the imbalance is simply that the money was taken from the wrong account when the Film Festival was financed.

Fourth Order: Discussion of Financial Policies of SA. Several members of the committee were interested in the procedures of the Finance Department and would like to learn more about how things get done, or why they don't get done. I said that I would try to get Rich to explain the procedures for them.

Respectfully submitted,

Tom Griest
