Section II

1. The Senate shall be composed of members chosen annually by the living center or centers. (The term living center shall be defined in the By-Laws of this constitution.)

The enumeration shall be made 30-60 days prior to the All Campus Election on the basis of estimated membership. The Senate shall determine the number of Senators to be chosen by each living center or group of living centers. The number of Senators shall never exceed 66 nor be less than 33. No living center shall be denied representation.
4. When vacancies occur in the Senate by resignation or otherwise, by the Executive Authorities of the living center or centers, affected, and eventually filled by special election conducted among the residents of such living centers.

3. All Senators shall be elected at the time of the All-Campus Elections.

Section IV

1. The recourse to recall a Senator shall be in the hands of the constituencies from which the Senator is elected; to be conducted in the following manner:

Office of the Vice-President

Student Association affects many aspects of a student's life. Through our nearly half million dollar budget, S.A. funds nearly all extra and co-curricular activities on campus. From hockey games to meetings of the Economics Club, the S.A. budget provides the resources for diverse social, recreational, educational and cultural activity.

Strangely enough, S.A. suffers from somewhat of an identity crisis. Ask a student where the \$75.00 S.A. fee goes and the reply is invariably limited to "concerts, the Vice President's salary, and I don't know". While concerts and the Vice President's salary are important (particularly the latter) the scope of our funding is much more far reaching. This year we intend to make this known.

The theme for 1981-82 is "The Year of Involvement". Our goal is to increase participation in S.A. sponsored clubs and organizations by 100%. I believe S.A. offers many excellent opportunities for student involvement. What is needed now is to inform the students of these opportunities and encourage their involvement. Through letters to incoming freshmen, poster, media coverage, word of mouth and the crucial help of Resident Assistants, I believe a new awareness of S.A. activity will develop, our goal of increased involvement will be realized, the college will be enriched and our identity crisis will cease.

What follows is a list of S.A. sponsored clubs, organizations and services. The list gives a very brief description of each and who might be interested in joining. Please use this list in encouraging friends, neighbors and residents to join an S.A. sponsored club or organization, or join one yourself. College is much more than books, tests, professors, and beer blasts. A few hours a week of involvement in S.A. sponsored activities can expose you to stimulating, interesting, new and fun experiences that will truly enhance your college experience. Good luck and thank you for being part of the "Year of Involvement".

Sincerely,

Chris Estus
S.A. Vice President

Bill 3

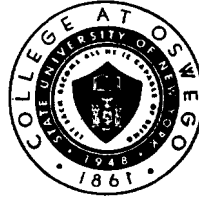

Be it enacted by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

The following policy procedure and schedule be implemented for the operations of Student Association elections:

I. Schedule

- A. Petitions will be available at the S. A. office in Hewitt Union beginning at noon 40 calendar days before the election is to take place.
- B. All petitions must be turned into the S. A. office by 3:00 p.m., 28 calendar days before the election is to take place.
- C. An official slate of candidates will be posted on the S. A. bulletin board in the lobby of the Hewitt Union and at the desks of any residence halls involved, not more than three (3) school days after the petitions are due.
- D. Campaigning may begin with the posting of the official slate of candidates. In order for a student to be eligible for S. A. campaign funds, it must be determined by the Elections Committee that the student is a bona fide candidate according to the specifications of this bill and S. A. guidelines; bona fide candidates will be notified 26 calendar days before the election is to take place.
- E. No electioneering is to take place within 100 feet of the polling booths (tables) after 8:00 a.m. the day before the polls open. Electioneering shall be defined as any posters, pamphlets, leaflets, or other prints or written documents, or formal or informal speeches stating candidate or party platform whose purpose is to work for the election of any candidate or party.

II. Method of Balloting

- A. Student Association validated I.D. must be presented to poll watchers who will then check it against a master list which will then be marked.
- B. Official Temporary I.D.'s or receipted bills for the current semester will also be accepted, provided they show payment of the S. A. fee.
- C. Method of balloting will be the same for all polling places.
- D. Balloting may be either by paper ballot or by certified voting machines, whichever is decided by the Elections Committee.

III. Method of Control

- A. \$700.00 be allocated from the Student Association Fiscal Budget to be set aside in a special account solely for the purpose of financing the campaigns of the candidates for the offices of S. A. President and S. A. Vice-President in the annual all campus elections. The following guidelines will apply to this fund.
 1. Each candidate will add an additional \$15.00 to the aforementioned fund on the day that campaigning begins. The candidate will then and only then have the right to draw up to \$85.00 from the fund.
 2. No candidate will be allowed more than \$85.00 in S. A. campaign funds from this account. All funds spent on any campaigning must come from this account. No donations of any form may be taken (including materials). *Read This!*
 3. If it is determined that more than ten students are eligible for the Presidential and Vice-Presidential candidacy, the sum in this account shall be evenly divided between each candidate.
 4. If a Presidential candidate and a Vice-Presidential candidate wish to campaign on the same ticket as "running mates" they must state this intent on their respective petitions. They will then be allowed, if they so desire, to combine the funds allocated to them from the aforementioned account.
 5. No candidate shall be allowed to spend S. A. campaign funds for any other purpose other than his/her election campaign. If there are more than

- ten (10) candidates, each one may put into the fund the number of dollars it takes to make up the difference between the amount she/he is allocated from the S. A. campaign fund account and \$85.00.
6. All disbursement of campaign funds must be made through the Finance Department of the S. A., rigidly complying to present policy specifications. These include: a) no charged purchases (without a purchase order); and b) packing slips, invoices and actual campaign merchandise received must be identical.
 7. All unused funds from this account shall be returned to the S. A. general fund.
- B. No candidate shall be allowed to work as a poll watcher at a polling area.
- C. The operation and control of the elections shall be the Election Committee, which shall be defined as the standing Senate Election Committee, chairperson (or co-chairpersons if desired), and Election Committee members. The specific duties, responsibilities and structure of the Election Committee are described in Section IV of this bill.
- D. The Election Committee shall report the tally to the Senate in the form of a bill. Passage of the bill makes the tally "Official".
- E. Selection of Names on ballot.
1. The selection process will be done by the Election Committee in the presence of all candidates so choosing to attend.
 2. The selection order by offices shall be as follows:
 - President
 - Vice-President
 - College Council
 - Auxiliary Services Board
 - Faculty Assembly
 - S.A.S.U Delegates
 - Senator(s)

Each office shall be selected individually. This shall also be the order that they will appear on the voting machines.

3. Selection of names for each office will be done in a random fashion.
 4. For the selection of President and Vice President, the names from both offices will be put together and then drawn randomly. Exceptions to this will be only if "running mates" want their names side by side on the ballot. In this case the names of the Vice Presidents choosing this option will be eliminated from the random drawings. This decision must be made before the random selection has begun. This method allows both Presidential candidates and Vice Presidential candidates that do not have running mates to have the chance of their names first on the ballot.
- F. Any discrepancies, infractions or violations of the Election Bill shall be recorded by the Elections Committee.
- IV. The Elections Committee
- A. Further Responsibilities, Duties and Powers of the Elections Committee
 1. The Elections Committee shall be responsible for reviewing the qualifications of persons submitting petitions:
 - a) Determining compliance with all listed qualifications as found in Article I, Section II, part 2 of the Student Association Constitution (for Senators) and with Article II, Section I, part 2 of the Student Association Constitution (for President and Vice President). This shall include determining if the potential candidate is a regularly enrolled student, in good standing with the college, paid the Student Association fee, and has an adequate cumulative grade point average for the position the potential candidate is petitioning for.
 - b) Determining the validity of the petition of each potential candidate as described in Article X, Section A and B only.
- V. Duties and Responsibilities of the poll watchers

VI. The polling Place

- A. Each polling place shall include the following:
 - 1. Poster(s) clearly identifying the polling place and containing the necessary election information for that polling place.
 - 2. Chair and table. Visible on the front of the table shall be a sign identifying the polling area.
 - 3.
