M. CATHERINE RICHARDSON '63

Honorary Doctor of Laws

A Syracuse native, M. Catherine Richardson is a 1963 graduate of the State University of New York at Oswego. For several years, she taught high school math at Westhill and Jamesville-Dewitt high schools in Central New York. She earned her master's degree from the University of Colorado in 1969 and her juris doctorate, magna cum laude, from the Syracuse University College of Law in 1977.

Ms. Richardson has practiced law with Bond, Schoeneck & King, PLLC in Syracuse, rising to senior partner concentrating in health, education, business and insurance law.

Ms. Richardson's contributions to the legal profession include continued service to the New York State and American Bar Association, the Judicial Institute on Professionalism in the Law, the Fellows of the New York Bar Foundation, the Attorney Grievance Committee, the Historical Society of the Courts, the University Hospital Ethics Committee and the American Bar Foundation. She also maintains membership in more than a dozen state and local legal aid societies and service projects, and numerous other advisory committees and boards.

Ms. Richardson has received a series of prestigious honors from the legal community, including, in 1995, the inaugural Syracuse Law Review Alumni Achievement Award, and in 1996 the Albany Law School Kate Stoneman Award and the Syracuse University Law College Association Distinguished Service Award. In 1996, she became only the second woman elected president of the 62,000-member New York State Bar Association, the nation's largest voluntary state bar association. Recent awards include the 2002 New York State Bar Association Ruth G. Schapiro Memorial Award for her dedication to the causes of women and the law, and the 2003 Onondaga County Bar Association Distinguished Lawyer Award.

Ms. Richardson has donated virtually countless hours of pro bono work to women's issues, gender equity, eldercare and judicial access for the poor, as well as to the Frank H. Hiscock Legal Aid Society. In 1989, the Onondaga County Bar Association recognized her with the Pro Bono Award.

For more than 30 years, she has dedicated herself to various Syracuse civic organizations, not-for-profit agencies, youth-based councils, and human service entities, including Girls Inc. of Central New York, the Central New York Girl Scouts Council, United Way, the MOST, Rosamond Gifford Foundation and St. Camillus Health and Rehabilitation Center.

She has been honored with the Take the Lead Award from the Central New York Girl Scout Council, the *Post-Standard* Women of Achievement—Career, Order of the Coif Award, and the Spirit of American Women Award by Girls Inc. of Central New York.

M. Catherine Richardson's association with Oswego State dates back to the early 20th century. Her mother, the late educator, Margaret Mansfield Richardson, a native Oswegonian, graduated from the Oswego Normal School in 1929, earned the rank of distinguished alumna in 1979, and served on the Oswego Alumni Association Board of Directors. Both of Ms. Richardson's parents—Margaret and her husband, attorney George L. Richardson—served on Oswego's College Council.

Ms. Richardson's service to the college includes recognition as a SUNY Oswego Distinguished Alumna and member of the Oswego Chapter of Phi Kappa Phi, the national honor society. She is also a former member of Oswego's College Council, and presently serves as a vice chairperson of the Board of Directors for the Oswego College Foundation.

In awarding the Honorary Doctor of Laws degree to M. Catherine Richardson, the State University of New York recognizes her distinguished career accomplishments in law and justice, and her unwavering commitment to lifelong public service.

The Oswego College Honors Program consists of a core of courses in the social sciences, humanities, natural sciences, philosophy, and history designed to stimulate students' intellectual growth and develop their analytical abilities. Unlike traditional courses, which present material from a single field of study, Honors Program courses are multi-disciplinary, drawing ideas and information from many fields and addressing concerns common to all the disciplines. In addition to Honors core requirements and all the requirements in their majors, Honors Program students must also meet requirements in laboratory science and a foreign language and complete an Honors Thesis, in which they explore a topic in some depth. The following students from the Class of 2005, wearing silver tassels, are completing the requirements for the SUNY Oswego College Honors Program:

THE COMMENCEMENT SETTING was designed for the investiture of Oswego's ninth president, Stephen L. Weber, by Professor Emeritus John Mincher and Professor William Stark of the Theatre Department and constructed by members of their stagecraft class. The marbling was done by alumnus Jeffrey Glave and the gold curtain material was obtained by alumnus Jef Billings. The curtain itself was made in the Theatre Department under the guidance of Professor Kitty Macey. The torch medallion was designed by Professor Mincher and is a gift of Professor and Mrs. Mincher.

THE ACADEMIC PROCESSION - The centuries-old pageantry of the academic procession dates from ancient traditions rooted in the early universities. Since the clergy were in charge of the first academic ceremonies, they followed the familiar order of religious processions.

THE TRADITION OF ACADEMIC ATTIRE - Caps, gowns and hoods worn at college and university functions date from the Middle Ages. Monks and students of that time wore them to keep warm in the damp, drafty halls of learning. From these practical origins they have developed into the accepted garb which symbolizes scholarly achievement.

Baccalaureate gowns have a long, pleated front with shirring across the shoulders and back. They are primarily distinguished by flowing sleeves pointed at the fingertips. These gowns may be worn open or closed.

The master's gown is worn open and the sleeve is cut so that the forearm comes through a slit just above the elbow.

Doctoral gowns are traditionally worn open, but either open or closed is acceptable. They carry broad, velvet panels down the front and three velvet bars on the full, round sleeves. This velvet trimming may be either black or the color distinctive of the degree. Mortarboards or caps worn with baccalaureate and master's gowns generally have black tassels. The tassel of the doctoral cap is usually made of gold bullion.

The hood gives color and meaning to the academic costume. Its silk lining bears the color of the institution conferring the degree. The hood is bordered with velvet of a prescribed width and color to indicate the field of learning to which the degree pertains.

THE MEDALLION worn by the president of Oswego State, is a symbol of authority worn at all official ceremonies such as Commencement and Honors Convocation. Oswego is represented in the perfect center of the medallion by a tiny green and gold circle. The dot is properly located on an outline of New York State, and the State itself is surmounted over a globe, thus showing the relationship of the institution to both New York and the world.

A wreath of gold leaves surrounds the globe and is circled by a flat band bearing the engraved college name, and includes two dates: 1861, the college founding and 1948, marking the founding of the State University of which Oswego was a charter unit. Above the medallion is a gold lamp of knowledge, emblematic of a seat of learning.

The medallion was designed and executed by Professor Dominic DiPasquale, formerly of the Art Department.

THE MACE - In medieval times the mace was used as a weapon of offense and the metal head was often heavily spiked. Today it is used chiefly in ceremonial functions of churches, governments, colleges and universities. The head of the Oswego mace holds a jade sphere symbolizing the university of wisdom and knowledge, surrounded by four silver flanges unfolding petal-like without imprisoning the sphere and representing the potentiality of disciplined imagination, the goal of higher education. The richness of the jade and the rosewood shaft are emblematic of the pomp and solemnity of academic ceremony.

A gift of the Class of 1969, the mace design and silver work was executed by Professor Joseph F. Shoenfelt, formerly of the Art Department, and the rosewood turning by Professor Emeritus William D. Todd, Technology Department.

Hail OSWEGO

Voices fill the air
Singing reverently
Pledging our school fair
Truth and loyalty
This our song we raise
In her name and praise
Oswego, Alma Mater
Hail to thee!
