ERROL B. TAYLOR '77 Honorary Doctor of Laws

Errol B. Taylor, a Jamaica native, spent 10 years as a biological scientist in the development of new pharmaceuticals at Squibb Corp. until entering New York Law School and earning his degree of Juris Doctor in 1987. He was admitted to the Bar in 1988. Combining his experience in science and law, he has built an exemplary legal practice that encompasses litigation, patent infringement, and counseling regarding intellectual property transactions and licenses. Mr. Taylor has worked with a wide range of technologies, including pharmaceuticals, chemicals, biotechnology, computer software and business methods; he has served as lead trial counsel in complex cases involving chemicals and pharmaceuticals, including patent litigation involving generic drug approvals. He has been honored by his peers for his professional achievements. In 2003, Mr. Taylor was recognized by the National Law Journal as one of the top ten litigators in the country. He has been named a Notable Alumnus by New York Law School. Also in 2003, following a highly regarded practice at the New York firm of Fitzpatrick, Cella, Harper and Scinto, Mr. Taylor joined one of the world's most highly regarded litigation and arbitration practices at Milbank, Tweed, Hadley & McCloy LLP.

During his more than 15 years at both Fitzpatrick, Cella and Milbank, Tweed, Mr. Taylor became highly regarded for his successful representation of AstraZeneca PLC in litigation to defend patents for its anti-ulcer drug Prilosec. Prior to this, Mr. Taylor successfully represented Bristol-Myers Squibb Co. in its suit against generic manufacturer Barr Laboratories, Inc. for infringement of patents for the antidepressant Desyrel.

Mr. Taylor has lectured extensively on litigation, interference procedure, and damages and injunctions and is a member of the American Bar Association;

American Intellectual Property Law Association; National Bar Association, where he has served as Vice Chair of the Intellectual Property Law Section; New York Intellectual Property Law Association; and Association of the Bar for the City of New York.

In addition to his professional accomplishments, Mr. Taylor has devoted his time and talent to organizations such as the Young Scholar's Institute of Trenton, The Chapin School of Princeton, and, most notably, SUNY Oswego. In 1996, Mr. Taylor played a leading role in conceptualizing and planning SUNY Oswego's first reunion for alumni of color, *Return to OZ*, for which he served as keynote speaker. At the second *Return to OZ* event in 2002, Mr. Taylor was recognized with the Oswego Alumni Association's Alumni Service Award.

Additionally, Mr. Taylor has for many years hosted an annual event in New York City for students of color, who have been accepted for admission to SUNY Oswego, and their families. In 1997 Mr. Taylor was elected to the Board of Directors of the Oswego College Foundation, Inc., where he has served as Secretary and is currently a member of the President's Campaign Cabinet for *Inspiring Horizons*, Oswego's first comprehensive campaign. Mr. Taylor's philanthropic support of SUNY Oswego has included his lead role in establishing the Hubert B. Smith Diversity Scholarship Fund.

Mr. Taylor attributes much of his success to the support of his lovely wife, Paula and the inspiration he receives from his sons, Bradford and Kyle.

For his distinguished accomplishments in the field of law and his exemplary service to his alma mater, the State University of New York honors Mr. Errol B. Taylor '77 with the honorary degree Doctor of Laws.

CHRISTIAN KORSHIE MENSAH '84

Honorary Doctor of Laws

Christian Korshie Mensah '84 traveled as a teenager from his homeland of Ghana to rural Oswego County in upstate New York, first to study under an AFS Scholarship as a high school exchange student at Pulaski and then to earn his undergraduate degree in political science at SUNY Oswego. He was president of the International Student Association and, under his leadership, the group introduced the International Dinner to raise funds for various charities. He was given an Outstanding Achievement Award for contributions to the community. After graduation in 1984, he stayed on at Oswego as a non-teaching visiting assistant professor in the International Education Office. There he served as foreign student advisor, academic adviser and administrative director of the Intensive English Program.

From there, he went on to earn his law degree at Boston University School of Law, where he served as president of the Black Law Students Association, with a goal of enhancing understanding among members of the rich diverse culture at the university. He then earned his LLM degree at Columbia Law School and a Parker School Certificate of Recognition in international law.

In 1990, Mr. Mensah was appointed as the Legal Adviser to the Mozambique Mission to the United Nations and also as the Special Adviser to the Chairman of the Sixth (Legal) Committee of the United Nations General Assembly.

He later represented the Republic of Vanuatu as the South Pacific island nation's Delegate to the U.N. General Assembly. In this position he participated in the gathering of world leaders known as the Earth Summit in 1992. There Mr. Mensah was one of the principal drafters and negotiators of the documents discussed at the Rio Conference on Environment and

Development, including Agenda 21, the blueprint for solving the second generation of environmental problems facing the world.

In 1993, he left for Somalia to become a Legal Officer for the United Nations Operations. Evacuated from Somalia in 1995 due to the deterioration of the security situation in the country, he joined the United Nations International Civil Aviation Organization (ICAO) as a Legal Adviser, where he helped design a project to guide and control aircraft through the air space of war-torn Somalia.

In 1998, in addition to ICAO, he also became the Legal Adviser to the United Nations Development Program in Somalia, leading the establishment of a legal clinic at the University of Hargeisa Law School in Somaliland to create awareness of rights and ensure access to justice for the poor, internally displaced and disadvantaged in Somali society.

Beginning August 1, 2005, Mr. Mensah became the Senior Legal Officer for the United Nations in Nairobi.

Mr. Mensah has maintained close ties to his alma mater and the Town of Oswego. He visits Oswego several times each year. He has returned to campus to share his insights on issues under discussion at the United Nations in history, political science and language classes.

As a Legal Adviser to the United Nations, Christian Korshie Mensah '84 has played an important role in contributing to the resolution of issues surrounding his native continent of Africa. Therefore, the State University of New York recognizes the achievements of this international legal expert and diplomat with the honorary degree of Doctor of Laws.

The Oswego College Honors Program consists of a core of courses in the social sciences, humanities, natural sciences, philosophy, and history designed to stimulate students' intellectual growth and develop their analytical abilities. Unlike traditional courses, which present material from a single field of study, Honors Program courses are multi-disciplinary, drawing ideas and information from many fields and addressing concerns common to all the disciplines. In addition to Honors core requirements and all the requirements in their majors, Honors Program students must also meet requirements in laboratory science and a foreign language and complete an Honors Thesis, in which they explore a topic in some depth. The following students from the Class of 2006, wearing silver tassels, are completing the requirements for the SUNY Oswego College Honors Program:

Elisa Allen	Christopher Herbert	Ashley Perkins
Helen Bisharat	Lauren Jackson	Joel Ralston
Michael Brisson	Michael Kelly	Chelsey Rudd
Jessica Cullen	Tara Kempf	Eve Rutherford
Melanie Doherty	Henry Knoop	Sara Schwartz
Erin Dunigan	Katherine Kowalski	Corey Stark
Ryan Garney	Richard Kulibert	Joshua Steffensen
Sheila Graham	Katie Labrosse	Jeffrey Storch
Audrey Hager	Sarah Payne	Matthew Szwejbka
Jennifer Hawley		Vera Thompson

H O N O R S P R O G R A M S

Honors Programs have been instituted for outstanding students in the fields of biology, chemistry, economics, history, mathematics, meteorology, physics, political science and psychology. The eligibility requirements for these programs are rigorous and the coursework itself is beyond the scope of that of regular classes. The following students from this class have completed an Honors Program.

Michael Brisson – Economics	Sarah Marie Payne – Meteorology
Ian Farrell – Political Science	Lauren Sartor – Psychology
Nora Gannon – Psychology	Holly Elizabeth Sobocinski – Meteorology
James Liddle – Psychology	William Spratt – Physics
Erin Marean – Psychology	Matthew Stephen Szwejbka – Meteorology
James McCarty – Physics	Christopher Charles Thuman – Meteorology

RECEPTION

*Graduates, family members, guests and faculty
are invited to attend a reception at Laker Hall
immediately following each ceremony.*

SPECIAL THANKS

*A special word of thanks is extended to those individuals who volunteer
to serve as marshals and ushers for the day.*

*Thank you also to the Trumpeters, Maintenance and Custodial Staff, University
Police, Registrar's Office, College Publications Office, Campus Technology
Services, and Auxiliary Services, including the College Store and Dining
Services staff, for their work and participation in Commencement.*

Medical assistance is available in the south end of Golden Romney Field House.

Audience video taping and still photos are permitted only from seats.

THE COMMENCEMENT SETTING was designed for the investiture of Oswego's ninth president, Stephen L. Weber, by Professor Emeritus John Mincher and Professor William Stark of the Theatre Department and constructed by members of their stagecraft class. The marbleizing was done by alumnus Jeffrey Glave and the gold curtain material was obtained by alumnus Jef Billings. The curtain itself was made in the Theatre Department under the guidance of Professor Kitty Macey. The torch medallion was designed by Professor Mincher and is a gift of Professor and Mrs. Mincher.

THE ACADEMIC PROCESSION - The centuries-old pageantry of the academic procession dates from ancient traditions rooted in the early universities. Since the clergy were in charge of the first academic ceremonies, they followed the familiar order of religious processions.

THE TRADITION OF ACADEMIC ATTIRE - Caps, gowns and hoods worn at college and university functions date from the Middle Ages. Monks and students of that time wore them to keep warm in the damp, drafty halls of learning. From these practical origins they have developed into the accepted garb which symbolizes scholarly achievement.

Baccalaureate gowns have a long, pleated front with shirring across the shoulders and back. They are primarily distinguished by flowing sleeves pointed at the fingertips. These gowns may be worn open or closed.

The master's gown is worn open and the sleeve is cut so that the forearm comes through a slit just above the elbow.

Doctoral gowns are traditionally worn open, but either open or closed is acceptable. They carry broad, velvet panels down the front and three velvet bars on the full, round sleeves. This velvet trimming may be either black or the color distinctive of the degree. Mortarboards or caps worn with baccalaureate and master's gowns generally have black tassels. The tassel of the doctoral cap is usually made of gold bullion.

The hood gives color and meaning to the academic costume. Its silk lining bears the color of the institution conferring the degree. The hood is bordered with velvet of a prescribed width and color to indicate the field of learning to which the degree pertains.

THE MEDALLION worn by the president of Oswego State, is a symbol of authority worn at all official ceremonies such as Commencement and Honors Convocation. Oswego is represented in the perfect center of the medallion by a tiny green and gold circle. The dot is properly located on an outline of New York State, and the State itself is surmounted over a globe, thus showing the relationship of the institution to both New York and the world.

A wreath of gold leaves surrounds the globe and is circled by a flat band bearing the engraved college name, and includes two dates: 1861, the college founding and 1948, marking the founding of the State University of which Oswego was a charter unit. Above the medallion is a gold lamp of knowledge, emblematic of a seat of learning.

The medallion was designed and executed by Professor Dominic DiPasquale, formerly of the Art Department.

THE MACE - In medieval times the mace was used as a weapon of offense and the metal head was often heavily spiked. Today it is used chiefly in ceremonial functions of churches, governments, colleges and universities. The head of the Oswego mace holds a jade sphere symbolizing the university of wisdom and knowledge, surrounded by four silver flanges unfolding petal-like without imprisoning the sphere and representing the potentiality of disciplined imagination, the goal of higher education. The richness of the jade and the rosewood shaft are emblematic of the pomp and solemnity of academic ceremony.

A gift of the Class of 1969, the mace design and silver work was executed by Professor Joseph F. Shoenfelt, formerly of the Art Department, and the rosewood turning by Professor Emeritus William D. Todd, Technology Department.

Hail OSWEGO

Voices fill the air
Singing reverently
Pledging our school fair
Truth and loyalty
This our song we raise
In her name and praise
Oswego, Alma Mater
Hail to thee!
